JOINT USE REMOVAL FORM

Garkane Use ONLY
SO#:

Date:

Name:

Company:

Email Address:

Phone Number:

Licensee/Applicant must email a KMZ or SHP file along with this form that details Garkane pole locations and pole numbers. Failure to send spatial data will result in no adjustments to annual charges. Be aware that we will only assume one attachment per pole has been removed unless otherwise specified.

Location Description:

Number of Poles Affected:

Number of Attachments Removed:

Pole By Pole Modifications

List the following for each pole:

- pole number
- number of attachments removed
- each attachment type (e.g. copper, fiber, overlash)
- whether a midspan, guy, or other equipment is also being removed
- any additional information

Map/screenshot & spatial data attached with exact locations of affected poles.

PLEASE SUBMIT COMPLETED FORM & SPATIAL DATA TO: fsr@garkane.com
